Hi there, I’m Auguste! With over 7 years of experience as a real estate broker and over $35M in sales volume, I bring a sense of calm and unwavering confidence to every real estate transaction and client interaction. I take immense pride in the fact that my clients continually return to me and enthusiastically refer their loved ones.

Growing up in Paris and having a background as a jazz musician, I’ve honed my people skills, adopted a direct approach, and developed highly regarded negotiation expertise. I’m also an avid tennis player, rock climber, and trail runner. And when I’m not enjoying those activities, you’ll likely find me immersed in a captivating Sci-Fi book.
